For Immediate Release
February 6, 2024

Scheduled Highway 74 Lane Closure & Power Outage 9 a.m. – 4 p.m. Tuesday, February 13, 2024

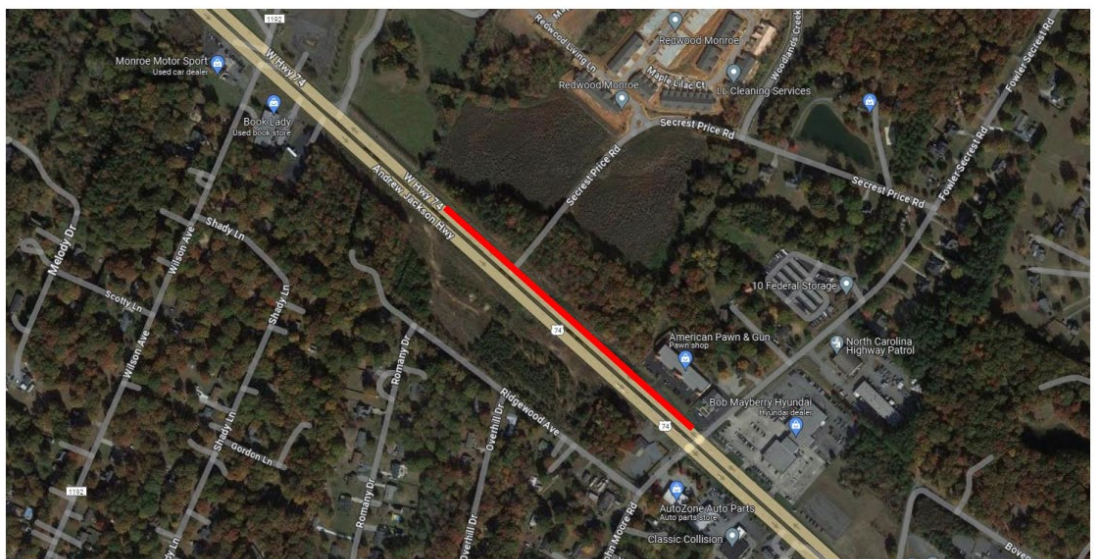

The City of Monroe's Electric Division will be closing a single lane of W. Highway 74 and conducting a scheduled power outage for a select number of customers on February 13, 2024, to complete the installation of electric cables and equipment.

The single lane closure will take place on the outside, westbound lane (toward Charlotte) of Highway 74 from Fowler Secrest Road past Secrest Price Road from **9:00 a.m. to 4:00 p.m.** All traffic control devices and personnel will be in place to direct traffic during the closure.

The power outage will impact 213 customers in Redwood Living and Woodlands Creek subdivisions from **1:00 – 3:30 p.m.** All impacted customers will receive notification from the Energy Services Department prior to the outage.

The work being performed will re-route existing primary electric cables to serve power to the new Yardley (BTR) development. This project is expected to conclude by 4:00 p.m. on Tuesday, February 13.

For any questions or concerns, please call the City of Monroe Electric Division at (704) 282-4600 or (704) 282-5766.

*Lane closure to be in the outside, westbound lane of Highway 74 from Fowler Secrest Road past Secrest Price Road.

*This lane closure will be for electric crews to re-route primary electric cables for the BTR at Monroe development.

###

The City of Monroe is a vibrant and progressive hub of retail, government, culture and industry in Union County. Monroe has a population of just under 40,000 residents and serves as the county seat. From the large Historic District complete with stately homes and a newly revitalized downtown, to its industrial core attracting businesses from across the globe, to the ever-growing retail marketplace, Monroe has something to offer to all.
