Thank you for volunteering to serve as a chaperone. You are the key to a successful experience and are expected to interact and assist in facilitating activities during the field trip. A chaperone must be prepared to enforce all Science Centers rules regardless of their position with the school, including parent volunteers.

**It is important that your group remains with you at all times. In order for you to focus on the students in your group, we ask that cell phone usage be kept to a minimum, with the exception of using it to take pictures.**

### Please enforce museum rules:

1. No eating or drinking in the museum.
  2. No running, please ask students to walk at all times.
  3. Shoes must be worn at all times.
  4. Please use the Sensory room as intended.
  5. Keep exhibit items within the designated exhibit spaces, picking up all items before moving on to the next exhibit.
  6. Be respectful of Museum staff and volunteers, as well as other visitors.
  7. The Monroe Science Center is not responsible for lost or stolen items.
