# Reserved Parking Program

N. Hayne St. & E. Crowell St.  
Parking Lot

## About the Reserved Parking Program

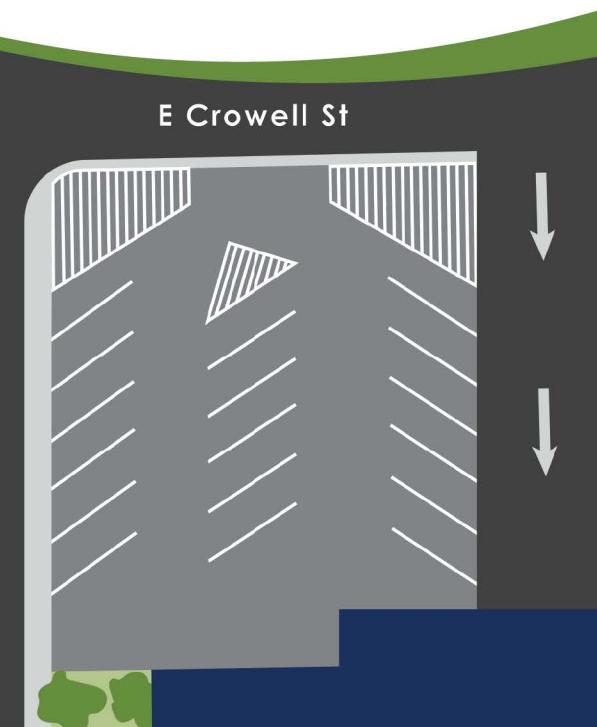

The program provides businesses, building owners, and employees with access to dedicated parking spaces in downtown Monroe.

Spaces will be reserved for the pass holder from 7 a.m. to 6 p.m. on Monday through Friday. On weekends and weekday afternoons, the spots are available for public use.

18 parking spots are available on a first-come, first-served basis. Each individual may purchase up to two parking spaces.

## Location

The parking lot is located at the intersection of N. Hayne Street and E. Crowell Street.

## Applications will open on Wednesday, August 20, 2025.

### Permit Process

Applications are available online. Once an application has been submitted, the applicant will be contacted by City Staff to complete the process and arrange to make payment.

Once payment has been made, the applicant will be issued a placard to be placed on the vehicle's rearview mirror. Placards must be displayed when parked in the lot.

### Cost

The fee is \$500 per parking space for one year. There will be a \$10 fee for a replacement placard in the event that one is lost.

No refunds will be permitted for those who do not fulfill their paid parking agreement terms.

**Scan the QR code to apply.**

## Reserved Parking Program Goes Into Effect on Friday, September 1, 2025

Spaces will be available on a first-come, first-served basis with a fee of \$500 per space.

There will not be any holds on parking spaces without a complete application and payment in full.

### Enforcement

If you find a vehicle without a placard parked in a spot reserved for this program, call the City of Monroe Police Department non-emergency number at 704-289-1591. The Police Department will tow the vehicle parked in the permit-only space.
