

UNION COUNTY NC CAL RIPKEN BASEBALL

2023 County Rules - Majors Division – Union County Cal Ripken

General Rules

- All games will be a maximum of six innings or two hours (2 hrs.) in length, whichever occurs first. No new inning shall start after 1 hour and 50 minutes, but current inning may be completed (unless home team is ahead and batting). Ten run rule is in effect after (4) innings of play completed (3-1/2 innings, if home team is ahead).
- If the game is tied once the time limit expires, teams will play one more inning starting with the last out from the previous inning on second and (1) out. If the game is still tied at the end of this extended inning the game will be scored as a tie (*regular season only; not EOS Tournament games*).
- Four complete innings (3-1/2 innings if the home team is winning) for the game to be official.
- In case of rain or ten run rule, the game must reach at least 3-1/2 innings if the home team is ahead and 4 innings if the visiting team is ahead to be considered a complete game. Incomplete games will resume from the point of interruption the next available day.
- Each half inning shall be complete when three outs are recorded.
- Batting lineup will include entire roster (League minimum of 8 players to start a game with 9th player able to enter at any time, although if no 9th player is inserted, the at bat is ruled an out). 9 Position players are allowed with free substitution in the field (does not affect batting order).
- The batting rotation shall consist of all players present for the game. Any player who does not come to bat at their regular turn shall be declared **OUT**, unless injured / sick during the current game. Once a player is declared injured/ sick they cannot re-enter the game.
- Late players may be added to the end of the batting rotation before the lineup goes one time thru. Players arriving after this point may not be added. There will be a continuous batting order.
- No player can sit defensively for 2 consecutive innings. Players cannot sit for more than 2 innings per game. Any coach found in violation of this will be warned. If it happens more than once in a season, the coach may be suspended one game.
- A team must field at least eight (8) players before / during the game or the game will be declared a forfeit. A grace period of fifteen minutes will be allotted from the scheduled game time before declaring a forfeit. The grace period only applies for the first game of the day. The fifteen minutes will be deducted from the game time if the game proceeds.
- Teams that cannot field eight (8) players can bring up a Minors player to help them out during a game. This player can play anywhere except pitcher or catcher and must bat last in the batting lineup. Teams are not allowed to pick-up players from the same division or a higher division. Maximum of (2) players can be picked up but cannot go above (10) total players. You can choose to play with (8) players if you only have (8) for that game. Picking up players is optional.
- Only the Local Home Commissioners may rule the field unplayable prior to the start of the game. Once the game starts, the umpire makes all determination on field playability. The decision to cancel due to weather will be made after 4pm.

UNION COUNTY NC CAL RIPKEN BASEBALL

2023 County Rules - Majors Division – Union County Cal Ripken

Batter / Runner

- The bat MUST be stamped 'USA' and the bat barrel may not exceed 2 5/8" in diameter. Wood 2 ¼" barrel bats are allowed. If any bat in Cal Ripken Baseball, cannot be clearly identified for its make and model to determine the barrel composition, then the bat should be removed from the game.
- No head first sliding into any advancing base. Any base runner that head first slides into a base will be called out. However, runners may go back head first to previous held base only.
- Fake / Slash Bunting – A batter is out for illegal action when the player fakes a bunt and then takes a full swing, thus eliminating a player from fake bunting the ball. **Penalty:** Batter is out, the ball is dead, and no runners may advance.

Contact Rule

- If a runner attempting to reach home plate or a base intentionally and maliciously runs into a defensive player, he / she will be called out on the play. The objective of this rule is to penalize the offensive team for deliberate, unwarranted, unsportsmanlike action by the runner for the obvious purpose of crashing the defensive player. Obviously, this an umpire's judgment call and cannot not be protested.
- Coaches are encouraged to teach their player's how to slide properly and to avoid contact with the defensive players. At the umpire's discretion, a runner will be called out if they purposely attempt to run over the catcher or generate unnecessarily rough play. Per Cal Ripken rules, player must "avoid contact".

Catcher's

- All catchers must wear a protective cup to be allowed to play this position. This is not optional for any player. If catcher refuses to wear this equipment he shall be removed from the game.
- Catchers **must wear protective head gear which includes a dangling throat protector** unless using a hockey-style mask.
- This equipment must cover both ears and fit the player properly
- To speed up game play, if the catcher gets on or is currently on base when one or two outs occur, he can be replaced by a pinch runner. This runner will be the player that received the last out. This will allow the catcher to get ready before the next inning begins.
- Anyone warming up a pitcher at any location shall wear a mask. A throat protector is considered part of the catcher's mask.

Pitching Rules

- Any violation of these pitching rules is subject to protest. All confirmed pitching rule violations shall result in a forfeit by the offending team.
- Any player on a regular season team may pitch. There is no limit to the number of pitchers a team may use in a game.
- Players, once removed from the mound may not return in the same game at the pitcher position.
- Pitcher must pitch in consecutive innings in a game. **Fall Season – 2 innings max per pitcher.**
- All pitchers must adhere to the pitch count rest requirements before pitching in another game.
- **Official Pitch Count is the last actual pitch thrown. Pitcher can exceed the maximum allowed pitches (75) only to finish an at-bat that started before maximum pitches are thrown**

MAX - (DAY /GAME)	REQUIRED REST DAYS (PITCHES)			
	0 DAYS	1 DAYS	2 DAYS	3 DAYS
75	1-30	31-45	46-60	61+

- Calendar days of rest must be consecutive and do not begin until the following day of the last pitch thrown. Pitchers are cleared to pitch again the day after the last calendar day of rest.
- Pitches delivered in games that are suspended due to weather or stopped before coming official shall be charged against pitcher's eligibility.
- Head Coach must remove the pitcher when said pitcher reaches the pitch count limit for their age group but the pitcher may remain in the game at another position. If a pitcher reaches the max number of pitches allowed while facing a batter the pitcher may continue to pitch until the batter reaches base, batter is put out, or third out is made to complete the half-inning.
- **Intentional Walk Rule** – An intentional base on balls may be given by the defensive team by having its catcher or coach request the umpire to award the batter first base. This may be done before pitching to the batter or on any ball and strike count. The ball shall be declared dead before making the award and the batter will be awarded the base without further pitch thrown.
- In a game suspended by darkness, weather, or other causes and resumed the following calendar day, the pitcher at the time the game was halted may continue to the extent of his/her eligibility.
- Games in which an ineligible pitcher has been used, as specified above, shall be declared forfeited. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a preparatory (warm-up) pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Tournament Officials are urged to take precautions to prevent protests.
- The home team is the official pitch count recorder for each game. Both managers and umpire must sign the scorebook
- The pitch count recorder shall record all pitches as defined in the rule book (Rule 2.00 – A pitch is a ball delivered to the batter by the pitcher.), in addition to any pitches delivered to the batter ruled a “no pitch” by the umpire.
- The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire.
- The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted above. The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed. However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in- chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.
- The manager has the ultimate responsibility for knowing when his/her pitcher must be removed.
