Coaches Code of Ethics

The following code of conduct shall apply to all people who volunteer, coach, or hold a responsible position within the Monroe Parks and Recreation Department. The conduct where applied to the coach also applies to the assistant coaches, managers, team parents, etc.

The primary functions of a coach are to teach the fundamentals of the particular sport and install the character of good sportsmanship. When these two functions are accomplished, the program has been successful.

It is the coach's responsibility to at all times set a good example. Coaches represent our association at all times. Their actions and activities reflect on every member of the Monroe Parks and Recreation Department.

Coaches must also possess knowledge of the sport adequately enough to be passed on. Each coach must demonstrate ability and the methodology to transfer this knowledge. Each coach must radiate that positive attitude that makes children want to learn.

When these most important qualities have been met in the opinion of the commissioner and the board, the prospect is acceptable to be a coach. Each coach must, however, follow the additional codes of conduct:

1. The use of profane language is prohibited in front of anyone associated with the league or program.
2. A coach will not criticize players, officials, opposing coaches, parent through improper language or gestures. He/she will treat each person involved with respect and dignity.
3. A coach will emphasize good athletes are good students first, and both are physically and mentally alert.
4. A coach will emphasize that the use of teamwork will result in winning games. He/she will not favor any particular player for any reason.
5. Each coach must comply with the "minimum play rule" during all games regardless of what the score may be.
6. A coach will refrain from "running up" the score against any opponent.
7. All coaches will accept the officials' decisions.
8. A coach must set an example of good personal conduct at all times.
9. The use of alcohol and/or drugs, and the use of tobacco are prohibited on the playing fields at all time. The coach shall not be under the influence of alcohol or illegal drugs at all times.
10. Coaches and assistants must be properly attired when attending practice, games, or any team functions.
11. The coach will learn the strengths and weakness of his/her players in order to place them into situations where each player has a maximum opportunity to achieve success.

12. The coach will protect the health and safety of his/her players by insisting that all of the activities under his/her control be conducted for their psychological and physiological welfare, rather than the interests of any adults.
13. When a coach makes a commitment to the children of this association to coach a team, he or she is expected to participate in all functions including coaches meetings, games, practices, and team banquets.
14. Infractions of any of the Coaches' Code of Ethics will result in the following actions:
 - a. 1st infraction will result in one (1) game suspension.
 - b. 2nd infraction will result in being removed from the coaching position.
15. Each coach serves at the pleasure of the Monroe Parks and Recreation Department. A coach may be removed at any time with or without cause.

I, the undersigned Coach, hereby give my pledge that I will follow the aforementioned Code of Conduct and Ethics.
